

ASESORÍA JURÍDICA Y ARBITRAJE

11

En el Área de Asesoría Jurídica y Arbitraje se presta orientación y asesoramiento jurídico de carácter gratuito a las empresas en el ámbito civil, mercantil y administrativo, muy especialmente en las materias de arrendamientos urbanos, contratación, sociedades, franquicias, competencia desleal y en todas las vertientes que genera el Derecho de Consumo contemplado desde el punto de vista empresarial.

También atiende las consultas jurídicas que realizan los diferentes servicios y departamentos camerales y evalúa que los convenios que suscribe la corporación (20 en 2007) se ajustan a Derecho. El Tribunal de Arbitraje administró un procedimiento.

TRIBUNAL DE ARBITRAJE COMERCIAL

La Cámara de Comercio de Cantabria cuenta en su seno, como un servicio más, con el Tribunal de Arbitraje Comercial, a través del cual brinda a sus electores la posibilidad de dirimir los conflictos en los que puedan verse inmersos a través de una vía alternativa a la judicial.

La rapidez del procedimiento arbitral, la especialización de los árbitros en el tema que se somete

a su consideración, la flexibilidad del procedimiento, la posibilidad de actuar sin necesidad de letrado y procurador y la confidencialidad del procedimiento, hacen de esta vía la idónea para resolver los conflictos entre empresarios.

En el año 2007 se administró un procedimiento ante el Tribunal de Arbitraje Comercial de la Cámara de Comercio de Cantabria.

the 1990s, the number of people in the UK who are aged 65 and over has increased from 10.5 million to 13.5 million (19.5% of the population).

There is a growing awareness of the need to address the needs of older people, and the Government has set out a strategy for the 21st century in the White Paper on *Ageing Better: The Government's Strategy for Older People* (Department of Health 1999). This strategy is based on the following principles:

- Older people should be able to live independently and actively in their own homes.
- Older people should be able to live in their own communities.
- Older people should be able to live in their own homes and communities for as long as possible.
